

Why Should I Partner With Abilities Network?

Walkabout Abilities – Sunday, September 19, 2010 – Goucher College

Partnering with Abilities Network:

AS A CORPORATE SPONSOR or EMPLOYER WHO PARTNERS WITH ABILITIES NETWORK, WHY SHOULD WE START A TEAM?

Abilities Network's Walkabout Abilities event is a great community project for the staff at your office. Community projects promote "giving back" to your local community, and show your staff that playing a role in the local community is highly encouraged. Starting a successful walk team is a great tool for staff to practice "team building", while working together to recruit team members, raise team money, and show your company team spirit.
