

Why Should I Start a Team?

Walkabout Abilities – Sunday, September 19, 2010 – Goucher College

AS A FAMILY, WHY SHOULD WE START A TEAM?

Your son, daughter or loved one receives services and/or partners with Abilities Network to help fill his/her needs. Honor and support your loved one by starting a team and supporting Abilities Network. Your team can be small with simply family members, or you can grow your team through your network of friends & co-workers.

TEAM SAINZ

" Year after year we walk and raise money for Abilities Network's *Walkabout Abilities* event for so many reasons. We walk for my son & wife, as well as other family and friends that live with epilepsy. We walk so that a great organization like Abilities Network can help others to be able to live a happy, enjoyable, and healthy life."

- Pablo Sainz, Team Captain

Now it is time to get started!

Go to <http://walkaboutabilities.kintera.org> and register your team online today!

Would you like a copy of the team registration form, more information and/or do you have questions? Please call 410-828-7700x1298 or email
