

# To DO for Mom's Move

## Who can help??

**Bill** - Can do most  
Wed, Fri, and Sun  
PM's

**Donna** - Said she  
could do most  
weekends/ no  
weekdays

**Kyle** - Said he could  
help out when he  
can, but his schedule  
is crazy

ALMOST FORGOT:  
Box of old books in  
the basement!!  
Donate to library?  
Or Garage Sale?

CALL ABC  
COMMONS at least  
a week before to  
figure out what  
elevators to use etc.

- Figure out how to design a floor plan to see how much room she will have (I guess I need graph paper?!)
- Call the sibs and ask them to block out 4-5 weekends to help Mom pack
- Sort through every room. Don't forget closets, cabinets, the attic (allow at least a weekend for the attic)
- The Hummel collection: ask around to see who wants? Give to charity?
- Clear out the basement (what's in the furnace room?)  
\* Don't forget about slide carousels, holiday décor, SNOW VILLAGE stuff
- GARAGE - it's a disaster! What should we do with the extra car?
  - yard stuff? Throw away or give away?
  - All the junk! Get a dumpster? When? How?
  - Schedule a garage sale - ask Donna to handle that??
  - Buy packing materials - research online for lowest \$\$ stuff
  - Arrange for disposal of old paint cans, etc. Recycling?
- Pack!!! We will need everyone for at least 5 days
- Get estimates from at least 3 movers (call references!)
- Contact local charities for the items we need to donate
- FIGURE OUT HOW I AM GOING TO GET ALL OF THIS DONE!** So much to do...
